

2024-2025 Rose Donation Wish List

The Friends of the Rose Garden are pleased to announce that donations of new roses for the 2024-25 season are now open. Please note that, depending on availability, your roses may not be planted until Spring 2025. If a selected rose becomes entirely unavailable, the Friends will work with the donor to find a substitute. Roses are \$60 each and donors can choose from the roses listed below.

The number after each rose name is the quantity needed. 10 roses make a full bed. Donation of the full bed of 10 is not required. Memorial recognition is for the lifetime of the rose.

To reserve your memorial rose(s), please email longviewplfol@gmail.com

Payment for memorial roses as well as general donations to support the improvement and upkeep of the garden can be made by cash, check, or online payment. Checks should be made out to the Friends of the Longview Library; please put "Rose Garden" in the memo line. Online payment can be made here:
